Time-Honored Craft

Every piece uses American-grown hardwood ensuring maximum strength and longevity.

100% of our kiln-dried maple is grown in AHMI-certified sustainable hardwood forests.

We still build upholstery exactly like our founders taught us by employing the time-honored tradition of 8-way hand-tied spring systems.

Jamestown Swivel

Whether from our vast array of
textiles & leathers or from your own
fabric, pristine tailoring starts
at the top!

We painstakingly hand cut each
piece to ensure an uninterrupted and
graceful flow.

Trust us...you will see the difference!
